## Appointment: Dihairon Jonis

**Brussels, Belgium – 25 February 2019.** The team at KEMAT welcomes Dihairon Jonis, who joins in the role of KEMITO's Warehouse Operator. KEMAT and KEMITO are full service providers offering distribution and logistics solutions. Jointly, they offer: repacking as well as tailor-made packing, flexible supply options, delivering polybutenes and related products in varying quantities throughout Europe, Middle East and Africa; as well as comprehensive solutions for all ISO tank needs and economical logistics.

Dihairon will be responsible for the management of chemical packaging, bulk chemical transfers, trailer loading, storage, etc. Furthermore, handling the drumming line, repackaging, blending and transport operation. Conform to ISO 9001 policies and procedures shall be done under his supervision.

On joining, Dihairon said "My name is Dihairon Jonis but everybody calls me Papito. I have been working in the chemical industry for about 12 years with a chemical service provider. In my previous position I was working as an all-round warehouse operator, filling drums/IBCs or loading containers and trailers.

The skills and experience which I have attained will be very helpful to me in my new job. I am proud to join as Warehouse Operator and to be an active member of the successful team. I am looking forward to the new challenges in such an established company."

Simon Mason, Managing Director commented "As part of KEMAT's growth strategy, we continue to expand our professional team. I am pleased to announce the appointment of Papito as our Warehouse Operator. His knowledge and enthusiasm are an asset to the team. We welcome Papito into our family and I look forward to working with him."
