## Appointment: Wendy Prins

**Brussels, Belgium – 3 February 2020.** The team at KEMAT offers Wendy a warm welcome, who joins in the role of Kemat's Logistics Manager. Kemat is a full-service provider offering distribution and logistics solutions. Kemat offers repacking as well as tailor-made packing, flexible supply options, delivering polybutenes and related products in varying quantities throughout Europe, Middle East and Africa; as well as comprehensive solutions for all ISO tank needs and economical logistics.

Wendy will be responsible for Kemat's logistic operations for packed goods within the European distribution organisation, including sending out sales confirmations, managing packed goods deliveries, organising transport etc.

Prior to joining Kemat, Wendy worked for an American company for nine years in the role of Order Management Administrator, where she was part of the Customer Service team. The principal regions in which she worked were the Middle East, South Africa and Russia. Her mother language is Dutch, and she also speaks English.

On starting her new role, Wendy explained "After nine years it was time for a fresh challenge and new opportunity. Via a friend, I got in contact with Simon Mason. I immediately felt welcome within the company; the atmosphere and team are very pleasant. I look forward to improving my general business knowledge and skills during this employment and to be able to further develop myself, as well as to learn a lot from my colleagues."

Simon Mason, Managing Director commented "I am pleased to announce the appointment of Wendy Prins to the position of Logistics Manager. Wendy brings a wealth of experience in logistics management, and she represents another key investment in the development of Kemat's growth strategy.
