

Press Release

1 January 2021

Appointment: Caglar Tuncer

Brussels, Belgium – 1 January 2021. The team at KEMAT welcomes Caglar Tuncer who joins our team in the role of Business Development. Kemat is a full-service provider offering distribution and logistics solutions. Kemat offers repacking as well as tailor-made packing, flexible supply options, delivering polybutenes and related products in varying quantities throughout Europe, Middle East and Africa; as well as comprehensive solutions for all ISO tank needs and economical logistics.

Caglar has nine years of work experience in sales and business development in the lubricants sector as well as project management in the automotive sector. He held Sales Manager and Key Technical & Account Management positions at multi-national companies. During his lubricants industry experience, he generated business growth with base oils, industrial lubricants, PE & PP Waxes, speciality chemicals, and developed extensive application experience in tyre, rubber & plastic, adhesives, wire & cable manufacturing sectors.

He studied Materials Science & Metallurgy Engineering at Istanbul University

In his free time, Caglar likes to do wakeboarding, spend time with family, and travel.

Caglar explained "It's an exciting opportunity to be working in KEMAT which has an international reputation on distributing PIB and lots of other chemicals around the world. I am eager to learn fresh ideas, concepts, company culture and implement the business experience I had during my previous job experience. I look forward to helping in maximising the value of the company's domestic and international markets through their wide range of product portfolio, and of course to enhance the customer experience."

Simon Mason, Managing Director commented "I am very excited to have Caglar join our team. As part of our company development plan, we continue to increase our experienced team with the appointment of Caglar. He brings a ton of experience in all aspects of our portfolio, and more. We welcome Caglar into our family and I look forward to working with him."
