

1 June 2022

Appointment: Praneetha Yedavalli

Brussels, Belgium – 1 June 2022. The team at KEMAT welcomes to Praneetha Yedavalli who joins the company in the role of Administrator. Kemat is a full-service provider offering distribution and logistics solutions. Kemat offers repacking as well as tailor-made packing, flexible supply options, delivering polybutenes and related products in varying quantities throughout Europe, Middle East and Africa; as well as comprehensive solutions for all ISO tank needs and economical logistics.

Praneetha joined Kemat in June this year from Bangalore in India. She and her husband arrived in Belgium some years ago. Her husband was transferred to Brussels for work. Before travelling to Brussels, she worked in Human Resources for iFocus Systec PVT Ltd, a software company. Her major role was to visit client companies, eg SONY, Intel, Philips, TP Vision, etc, and to liaise with iFocus Systec's employees who were working at the client sites, and to communicate with client management.

Praneetha: "I was very happy with my work as it involved a lot of traveling and communicating which I enjoy doing. Apart from external client visits I had a lot of internal office functioning too, like audit programs, updating newsletters, organising events for festivals, national days and annual functions. So, after two and half years of my service with iFocus, I had to quit with heavy heart to move to Belgium, which was honestly exciting too, to start a new journey. I always wondered what it would be like to work in a foreign country – a new work culture, what is it like to be part of the Belgian corporate world. And finally, it became a reality with the kind help of Simon, Tony, and Nikelle. I always told them that I would love to be a part of their team. Like they say when opportunity knocks your door you better open it and that literally happened in my case when Nikelle knocked on my door and asked if I was still interested to be a part of their company, I said YES gladly. Now I am working as an Administrator in Kemat, so far so good, everything is going on fine with helpful guidance and support from Virginia and Nikelle, I once in a while visit Kemito in Moerdijk which is also a friendly environment with positive vibes."

Simon Mason, Managing Director commented "I am delighted that Praneetha has decided to join us. We congratulate her in being a new member of the Kemat family. Bringing a new employee onboard is an exciting time for the company, and we look forward to working alongside Praneetha as she starts her journey with Kemat."
