

Press Release

22 November 2022

Appointment: Eveliene Kooistra

Brussels, Belgium – 22 November 2022. The team at KEMAT warmly welcomes Eveliene Kooistra who joins the company in the role of Logistics Manager. Kemat is a full-service provider offering distribution and logistics solutions. Kemat offers repacking as well as tailor-made packing, flexible supply options, delivering polybutenes and related products in varying quantities throughout Europe, Middle East and Africa; as well as comprehensive solutions for all ISO tank needs and economical logistics.

Eveliène became a part of the Kemat team in early November. In her previous job she worked for just under six years at the Bertschi liquid bulk container terminal in Moerdijk in the capacity of Assistant Operations Manager, responsible in many areas including Administration, and Customer Service. She also oversaw the planning of tank container production for customers, as well as managing two outside operations teams.

Eveliène: "I am from the Netherlands, living not far from Moerdijk. I'm married with one son. My hobbies are fitness, playing the guitar, and riding my motorcycle. I also love travelling the world with my husband and son. There are still a lot of countries on our joint list!

My future role at Kemat is very exciting as the company is growing rapidly, and for the logistics department there are a lot of new challenges ahead. I'm in an industry that I love and look forward to working with a great team."

Simon Mason, Managing Director: "We welcome Eveliene into the Kemat family and know that she will become a great asset to the business. She brings with her a great track record and knowledge in liquid bulk chemicals. Eveliene joins our growing team during an exciting time of progressive expansion, and with her experience, our business will continue to flourish."
