

Press Release

11 December 2023

Appointment: Melissa Verster

Brussels, Belgium – 11 December 2023. The team at KEMAT welcomes Melissa Verster, who joins in the role of Junior Logistics. Kemat is a full-service provider offering distribution and logistics solutions. Kemat offers repacking as well as tailor-made packing, flexible supply options, delivering polybutenes and related products in varying quantities throughout Europe, Middle East, and Africa; as well as comprehensive solutions for all ISO tank needs and economical logistics.

Melissa started working with Kemat in late November 2023. She explained: "I was in Hoërskool Oosterlig and graduated Grade 12 in 2021. I qualified for the National Senior Certificate, and I also met the minimum requirements for a bachelor's degree diploma or higher certificate.

I am not studying at the moment, but I want to start studying within in the next year.

My most recent job has been at Tuckers Incorporated as a legal secretary assistance, where I was working hand in hand with lawyers.

My position with Kemat is Junior logistics. I will be working with packed goods where I will be handing the packed goods side of logistics.

I was born in Johannesburg, South Africa. My hobbies consist of hockey, drawing, painting and bike riding. I have not done much travelling out of Africa, but it is one of my dreams to travel to Europe and experience the European lifestyle everyone raves about, and meeting new people and different cultures. I can be a shy person at first but once I get comfortable, I can be a rather bubbly and outgoing. I am very proud and excited for this opportunity that Kemat has given to me, and I look forward to working with the team."

Simon Mason, Managing Director: "I am delighted that Melissa has decided to join us. We congratulate her in being a new member of the Kemat family. Bringing a new employee onboard is an exciting time for the company, and we look forward to working alongside Melissa as she starts her journey with Kemat.
