

Press Release

01 January 2026

Appointment: Trui Racquet

Brussels, Belgium – 01 January 2026. The team at KEMAT offers Trui Racquet a warm welcome, who joins in the role of Global Finance Director, responsible for the whole Kemat group. Kemat is a full-service provider offering distribution and logistics solutions. Kemat offers repacking as well as tailor-made packing, flexible supply options, delivering polybutenes and related products in varying quantities throughout Europe, Middle East, and Africa, as well as comprehensive solutions for all ISO tank needs and economical logistics.

Trui joined Kemat/Kemito mid-September 2025 as Global Finance Director. She brings with her more than 25 years of experience in various finance leadership roles, combined with a master's degree in business administration.

Trui commented: "I'm excited to take up the role of Global Finance Director and put my shoulders under the challenge of turning the finance processes into the digital world. I look forward to enhancing my knowledge of the industry and the international business.

I'm a mother of three teenagers, and live with my husband in Grimbergen, but I'm thrilled to also become being part of Kemat family. I'm a strong believer of the power of collaboration. And to put it with the words of a Belgian singer-songwriter: "Tout seul, on va toujours plus vite. Ensemble, on va beaucoup plus loin." [translated: Alone, we always go faster. Together, we go much further.] With that motto I trust that, together with the whole Kemat family, we can make a positive impact to Kemat and Kemito's stakeholders."

Simon Mason, Managing Director: "With more than 25 years of experience in corporate finance across international markets, Trui brings expertise in global finance operations and strategic leadership. Her proven track record of aligning financial strategy with business goals will drive our continued growth and success. We welcome Trui into our family."
